minimúsica

For yet another year, Primavera Sound will be a family-friendly festival through the minimusica, that this year offers more proposals than ever: concerts by Aloha Bennets, Alondra Bentley, the Big Band de l'Escola Concepció, Cactus and Cariño and private drumming classes given by Todd Trainer (member of Shellac), Among other activities so that the minis and not so minis can complete their itinerary. Find the minimúsica space in its new location on the Parc del Fòrum site from the inauguration day of Wednesday 29th May. Primavera Sound is also a family affair!

PRIMMMAVERA

GASTRONOMIC PROPOSAL

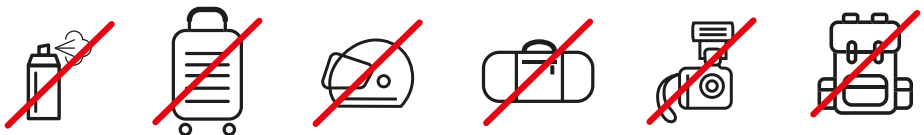

What do you mean you can't eat well at a festival? Primmmavera, the gastronomic proposal of Primavera Sound, has that stereotype on toast with a wide and varied menu, chosen jointly with Verbena Foodie and sponsored by Jospser, that has something for all tastes, dietary restrictions and pockets. High quality cuisine so that you can make the most of the festival.

RECOMMENDATIONS IN CASE OF EMERGENCY AND EVACUATION

WHAT TO DO IN CASE OF EMERGENCY EVACUATION

- Identify and remember the emergency exits (the emergency exits are clearly indicated on the map in the hand programme and in the official Primavera Sound app) or evacuation routes and pay attention to the instructions of the security staff.
- In case you get lost or separated from your friends, make sure you organise a clear meeting point on first arriving at the festival where to reconvene.
- In the case of evacuation go straight to the closest exit without delay. Do not go back under any circumstances.
- Stay calm and pay attention to the instructions of the emergency services.
- Avoid screaming, running or pushing others, as you could cause a very dangerous situation because of the vast numbers of people present.
- Pay close attention to the instructions of the security staff at all times.
- If you see any strange or suspicious behaviour, report it to the security staff.
